With hair like spun gold twisted into a pair of pigtails, Emma Mae is the epitome of a corn-fed cutie from the American heartland. “You couldn’t be more wrong!” Emma laughs. “I was born in Hawaii, so I grew up surfing and eating pineapples!” Really? Then why the fascination with croquet? Are your parents French? “No, I just like playing games where I get to smack balls around!” Sounds like you play hard, Emma!

PARTY POOPER...

I have this friend, Andy, who's a good friend of mine. He's the epitomal party guy whose antics are infamous around our crowd. He's a little wacko, and it's that kind of wacko that gets him all sorts of girls. He drives a souped-up black SUV with a license plate that says: LETSPRTY. He's so bold with that party thing that he'll ask almost any female he sees to come to one of his parties. Sometimes I just can't stand to be with him when he does. So embarrassing he is.

Yesterday we were just hanging out and he said he had a quick errand to do. We went to his girlfriend Julie's house. He opens the door and sighs, closing the door behind him he mumbles "Sorry Julie, I was supposed to meet another friend and I got side-tracked." Julie laughed as she got up and said "Don't worry. Let me know when you're ready again." "Sure." smiled Andy. As he kissed her one last time for the day, Julie began to rub his cock through his jeans. She took his hand pushed it down her shorts and over her pussy. Andy stuck in two fingers, moved them around and pulled them out, putting them into Julie's mouth. She sucked his fingers and looked up at him. "I'll be back tomorrow with Gracie." Andy said.

Julie pushed him out the door. We left and headed over to Gracie's house. Gracie was quite the girl. She was just a little over five foot with cute perky boobs and a firm round ass. She too was a party girl having partied with Andy throughout their four years in college. She had told Andy that she needed to talk to him about something very important, and the way she said it, Andy guessed it probably was.

We finally made it to her house and he knocked on the door. Gracie immediately opened it and literally pushed and shoved him into her house. She sat him down on her sofa. I took the side chair and tried to be inconspicuous. "Okay, so what is so important, Gracie?" he asked.

"Okay listen, I'm going to tell you something important?" Gracie raised her eyebrows. Andy nodded as he waited in anticipation. "Alright, so I not only like guys but I think I'm also liking girls. I've done another girl once as a freshman but I was hoping you could introduce me to your girlfriend. I don't know if she's been with another girl or not, so I was wonder..."

Andy breaks in, "You saying you want to get it on with Julie?" he says interrupting her. "I know she's done a girl or two but doesn't consider herself gay because she's now got this..." he says grabbing his crotch and looking over at me smiling and winking.

Gracie continues, "Cute. I'd be willing to sweeten the pie. If you ask her, I'll join you in a threesome, and I can sneak into her pussy that way." Andy sat back on the sofa and cupped his hands behind his

head to think about it. “Okay, I’ll ask her.” he says.

“No, you have to convince her.” she insists.

“Okay, okay.” he snaps back. “Gimme a day.” We get up and leave her place.

“Watcha gonna do?” I ask. “I’m gonna ask Julie.” he replies. “How can I give up a chance at a threeway with those two?” We laughed and high-fived.

Next day I got a call from him: “Dude, Julie didn’t go for it. She said she doesn’t do girls anymore and for sure she won’t do a threeway. And if that’s what I want, then I don’t want her.”

“Damn,” I said. “That’s cold. No other way you can convince her? Did you tell her you were just trying to do a favor for a friend? Did you offer to take her to Paris or Hawaii?”

“Yeah man, I said all that stuff, and she just knocked me down. I think I need to chill for a bit and give her some time to cool off.” he said. “I’ll call her in a couple days and she’ll take me back. I know she will.” That’s Andy – always full of confidence and BS!

Well, my fellow readers, several days have passed and she didn’t take him back, so if you thought you were gonna get a letter with Andy fucking a couple of hot chicks as they did each other – nope – ain’t happening, but I had ya goin’!

– From the Dude, in Toledo

HANDY MAN...

After six months of self-love, I had to do something. I had to get laid. Then kizmet struck. I was in the electrical section of a big hardware store looking for a replacement light switch. Ten feet down the aisle was this hot-looking chick in a baseball cap and clean sneakers looking at extension cords. She was looking kinda frustrated by the selection. Then right out of the blue, my mouth says, “Too many to choose from, huh.” She looked over at me with a quizzical smile. I quickly apologize for the intrusion and she giggled. A moment later she asked, “What’s the difference between 16 and 14 and 12?”

I looked around to be sure she was talking to me, and then said, “Oh, that’s the gauge or size of the wire. The higher the number the smaller the wire.” She looked at me again. “What that means is that if you’re looking for a cord for a lamp or fan, then a high number is fine because they don’t use much electricity. If it’s something that uses more power then a lower number would be better. I don’t think you’d need a 12 gauge unless it’s for power tools.” I said chuckling.

“Actually, it’s my lamp. It’s kinda old but the cord is frayed and I thought I might put an extension on it so the frayed part wouldn’t be near the switch.” she said.

“Oh, no, no; not a good idea,” I said walking over to

After her body stopped shaking and she settled down, she lowered herself and slowly licked her way down to my cock.

her. “That’s way too dangerous to do,” I cautioned. “You should replace the lamp’s cord.

“Over here they have replacement cords without the female ends, and then you just splice the wires from the cord and the lamp together.” I said. She looked at me again with a baffled smile, introduced herself as Chloe, and asked if there was any way I could fix it for her. I said matter-of-factly. “Nice to meet you. I’m Ian. I have some errands I must do this afternoon, but I can help tomorrow.” I offered.

She told me she was having a party tomorrow night and if I could come over before that and fix it, she’d be very appreciative... And I could stay for the party she added after a moment’s hesitation. I told her I’d bring my tool kit and dress sneakers. She laughed and I could tell she felt at ease with me. Humor is always a good ice breaker.

Next day I show up right at 5 pm and she motions me to the living room and there next to the sofa is this beautiful Tiffany-style lamp. I compliment her on it and she says it’s been in the family since the early 1900s. I proceed to fix the lamp cord as she looks on intently. After I finish and go to the kitchen to wash my hands. Chloe follows me in then plants this huge kiss on my lips. Awkwardly, my mouth starts to talk. “Shut up,” she hissed, kissing me more intently this time using her tongue and sucking on mine gently.

I became more confident and took off her top and grabbed her exposed breasts. She took off my shirt and I unzipped her pants and pulled them off. I kissed from her neck to her chest to her stomach to her lady mound of perfectly coiffed pubic hair. I gently licked her pussy through her thong, then pulled off her thong revealing her treasure.

I slowly make my first lick on her bare pussy. After a few more licks she held tight to my head as I tongue-fucked her to a mini-orgasm. She oozed a thick and tangy liquid from her pussy and I lapped it all up with my tongue and then sucked her pussy clean. After her body stopped shaking and she settled down, she lowered herself and slowly licked her way down to my cock.

She stared at it inquisitively then slowly grabbed it causing it to throb harder. She started pumping my shaft as she had her soft luscious lips around my cock head and sucked. She slid her lips along it then sucked as she moved her lips upwards. I was amazed at the feelings I was having. It was heaven, this being my first blow job in more than eight months. She picked up speed, then I closed my eyes hard, and tensed my whole body up then exploded my first rope of thick, hot cum into her mouth. I unloaded what seemed like a pint into her mouth and she swallowed it all. She stood up and washed it down with her wine looking at me right in the eyes as she did. Man that was hot.

Suddenly, the doorbell rings and she tells me it must be her party guest. I go to the bathroom to collect myself and freshen up. When I return, there’s a stunning brunette standing with Chloe in the living room. She extends her hand to me and says “Welcome to the party, Ian.” Whoa!!!!

– Ian, Kansas City, KS

adventure is my middle name

My name's Randy and I'm 23 years old. After graduating from USC, I moved to Lake Arrowhead and now work as an adventure guide and work in the great outdoors. I have close cropped hair and sport a closely cropped beard that, like my hair, has started to turn prematurely grey. I'm fit, take care of my body and mind, and I have not had difficulty with the opposite sex. As a matter of fact, this job has led to many a tryst with L.A. girls that venture up this way to get away and have some fun... no, I mean adventure... no, I mean fun.

I have known Danna for a year now. She's also an adventure guide, but stays mostly around the lake. She often calls me by different cute nicknames. One of her favorites is lover boy because I'm always flirting with her. I tease her right back with Honey Ryder after Ursula Andress' character in a James Bond movie, because she's built and quite the adventuress (or sees herself as one). She also has this white bikini she wears reminiscent of the character. She lives in the next town twenty miles away, so I gave her a key to my place so she doesn't have to hurry home through these winding mountain roads if the weather's bad.

I went to work Friday morning and needed some tools I had left on my living room floor. I parked in the driveway and headed up to the front door and went in. There on the sofa at ten in the morning, I see Danna lying on her back, with her head over the edge with her long blonde hair falling to the carpet, gasping for breath, her bare breasts heaving and soft cries escaping her lips. And the reason for her cries is a young-looking body whose face was buried deep in her pussy.

I move in closer, closing the door behind me. The look on her face was familiar to me as she looked up at me. I had seen it many times when we make love. She has firm medium sized breasts whose large nipples are very responsive to my touch. Her knees were slightly raised, one foot on the sofa and one foot on the floor. Her hands were gripping the cushions.

Danna's eyes were closed as she was being pleasured by her lover whose face was still sandwiched between her thighs. All I could see was a head of long dark hair attached to a slim, well-toned body. Looking more carefully at this person's back, I deduced that she must be a female, and I was right. She seemed taller than Danna and her lithe body ended with long shapely legs. She had a great

ass, too. As she busied herself eating Danna's honey pot, I noticed her bare young pussy. Then it struck me who she was, Neeva. A friend of a friend of theirs. She was probably around 20 and as innocent as they get. She was a self-confessed lesbian who Danna maintained that she ignored her advances, although she was aware of her affection for her.

I wondered what the hell was going on here. Now don't get me wrong, this is every guy's wildest wet dream and I wasn't about to break up the proceedings. In fact, I now wanted to really feast my eyes on that sight for as long as I could. My cock had become quite hard in my jeans. I moved closer to Danna's head and took in her expressions of passion. I bent down and placed my lips on her lips. She opened her clear blue eyes and then broke into her devilishly innocent smile that was completely natural to her.

"Hi baby. What took you so long?" she said and we kissed deep and long, our juices mingling freely. We were almost oblivious to Neeva's presence. Danna broke our kiss and moaned softly. Neeva was doing something extra special to attract her attention. Danna stroked Neeva's face. "Matt, I would like you to meet Neeva."

"Hi there Neeva," I said not knowing what is an appropriate thing to say here.

"Hi." Neeva giggled. She was quite beautiful with sharp features and dark eyes. Her full lips and face were wet with Danna's pussy juices. "Now listen here young lady," I began in a mocking tone. "I will have to punish you for stealing my girl."

"Oooh, but I thought you *wanted* to have a threesome, baby." Danna pouted. She was right of course. I was busted. I have been wondering about such an encounter for a while now. While I wished it, I never really pushed for it. Danna was not one that you put in situations she doesn't want to be in. She makes up her own mind and in her own time. I was hopeful, of course. But I wasn't assured of the outcome.

Danna, still upside down on the sofa, reaches over and pulls down my pants; takes my cock in her hands and promptly started to suck on it. There I was in my own wet dream, with two gorgeous girls. It was like a surreal fantasy. Only this was real life and in real time! Danna was the best blow job artist I have ever known. She was slow and delicate and took me all the way in. She stroked my ass and played with my balls. Her fingers felt cool on my skin. My cock was in a hot, wet, sweet space that sent thrills up my spine. She moved her mouth to my balls and engulfed each one delicately in her sweet mouth. Then she moved to my ass. While she stroked my erection, she licked my ass and probed me there with her tongue. Man, she drives me crazy when she does that.

While she was pleasuring me, Neeva pushed two fingers in Danna's wet pussy and preceded to finger fuck her. At the same time she flicked and sucked on Danna's clit. I watched her work Danna and smiled. Soon she was dripping cum

all over Neeva's fingers. I shifted Danna further up the sofa to make her comfortable and to allow better access to my ass and balls. Now I was on my knees getting a better view of Neeva eating Danna's pussy at the same time. This was hot! I was having my ass probed and balls licked while Neeva was feasting on Danna's pussy.

I got hold of Danna's legs, lifted and then parted them allowing Neeva more room to devour Danna's pussy. Soon Danna was coming and coming and coming. She gripped my cock and came up for air, overwhelmed with sensations that, like a rush of adrenalin, consumed all the senses. Danna was gushing her love juices all over Neeva's face again and it was wild to see her licking Danna's cum.

Neeva turned up the heat by probing Danna's puckered hole, her pussy and her clit. Her hands were also kneading Danna's boobs and nipples. It was a triangular pleasure zone. We all gave and received, being both selfish and selfless all at the same time. Soon, I felt an urgent need to park my cock inside Danna's pussy. I was hard and dripping with pre-cum. Now was the time to eat and drink at the fountain of pleasure. And right there were two delectable dishes offering endless possibilities.

Danna was now on her elbows on the sofa, waiting; her boobs rising and falling from the pleasurable exertions, her nipples standing erect, her body glistening with sweat. Neeva quickly lay on her back and slides under Danna into a beautiful sixty-nine and guides Danna's mouth to her wet juicy pussy. She stretches her long legs high into the air and parts them. I get in behind Danna's ass and enters her from behind. Neeva takes a moment from licking pussy to lick my balls as they slide past her face. After a minute like this, Neeva grabs hold and takes out my cock, inserting it into her slick mouth and deep throats me. I pump in and out a few times and she grabs it and puts it back into Danna's pussy. That was all the encouragement I needed. I pumped pussy for a few more minutes and then it was my turn to push my cock into Neeva's mouth. She sucked it earnestly and then I put it back into its warm home.

So there we were: me plugging Danna's pussy while she was giving Neeva head. Danna was on her knees, her hands all over Neeva's pussy. I was on my knees behind her, hands firmly holding her ass in place. Neeva was on her back, hands holding her legs high and wide into the air; with her head bent backwards deep into the sofa. It was unbelievable! The living room reeked of wet pussies, cock and sex. I had forgotten about going to work.

If anyone's ever watched a threesome unfolding in a video, you probably know it's great fodder for endless masturbation sessions. But I'm here to tell you the real deal is a hundredfold better. If you can, get some of that girl-girl-guy action for your bucket list. It's a must for any red-blooded man to experience at least once in their sexual lifetime, but be sure, very sure, both girls are cool. After today, I hope there will be many more. Here's to Danna and Neeva. All I know is this: if I die today, I will die with a smile on my face!

"Every time I catch you beating off in the toilets, I will fuck your face. Got it?"

tanned and trouble

I know that my boyfriend loves me, he told me so. He also told me that I have a beautiful body and, of course, he loves my boobies. He especially likes sucking on my nipples because they get really hard. But the best thing about us is that we're pretty experimental, and that led us to a lot of anal play today, and it was marvelous. I hope you enjoy your anal play, and my boobies.

It took me a long time and a lot of soul searching and convincing to do some nude photography. I never liked being in pictures. I don't really take selfies of myself. Then I got contact lenses and saw that I could look pretty good. I was always a good fuck, but now I can fuck anyone I want.
